Welcome

Attendees introduced themselves around the table.

Review and Approval of Agenda

The committee accepted the agenda as presented.

Coke Battery Performance – Q3 2024

Katie provided a summary of the results of the daily and 30-day rolling average results for the Method 303 environmental audits. The coke battery is in compliance with the 30-day rolling average limits.

Tyler indicated that he has no concerns regarding Stelco's coke battery performance, because the company is in compliance with MECP established limits. Furthermore, he noted that he visited the plant recently and had no concerns.

Additional Updates

Stelco provided a summary of additional feedback received from neighbours in Q3 2024 and steps taken to resolve concerns that were raised.

Katie mentioned that the Stelco LEW Quarry Landfill Expansion Project ToFR was approved by the MECP and notice of commencement was published on July 11th.

Community Feedback

Stu asked if it would be possible to arrange a tour of the facility in the future. Katie indicated that we can take Stu's question back for consideration.

Adjournment

The next meeting to be on October 9, 2024.
