1. GENERAL

- 1.1. STELCO Inc.'s ("STELCO") Purchase Order General Terms and Conditions ("this document") shall govern the purchase of all Goods and/or Services (collectively the "Deliverables") provided to STELCO by a supplier or contractor (each a "Vendor") pursuant to which STELCO has issued a Purchase Order, unless STELCO and Vendor have executed a written agreement for the provision of Deliverables by the Vendor, in which case the terms of such agreement will prevail over the terms of this document.
- 1.2. "Goods" means tangible items including equipment, machinery, hardware, software, materials, supplies, tools, spare parts, components, ingredients, scrap and inputs, directly or indirectly purchased by STELCO from Vendor, and as more fully described in the Purchase Order.
- 1.3. "Purchase Order" means STELCO's form of purchase order issued by STELCO to the Vendor setting out the type, quantity and specifications relating to Deliverables to be provided by the Vendor to STELCO, and unless otherwise amended on the face thereof, shall be subject to the terms and conditions of this document.
- 1.4. "Purchase Order Revision" means an amendment to a Purchase Order issued by STELCO to the Vendor which amends and supersedes a prior dated Purchase Order.
- 1.5. "Services" means services directly or indirectly purchased by STELCO from Vendor, and as more fully described in the Purchase Order.
- 1.6. Subject to Article 1.1 hereof, a Purchase Order is the only document which confirms STELCO's commitment to purchase any Deliverables from Vendor, and is the only document which imposes any obligations on STELCO.
- 1.7. The Purchase Order consists only of the terms contained:
 - i. on the Purchase Order form;
 - ii. this document;
 - iii. in any subsequent Purchase Order Revisions;
 - iv. on any supplements, specifications, drawings or other documents expressly incorporated by reference in the Purchase Order.
- 1.8. Any reference in the Purchase Order to any offer, proposal, response to a request for quotation or request for proposals of Vendor is solely for the purpose of incorporating the descriptions and specifications of the Deliverables contained therein, to the extent that those descriptions and specifications do not conflict with the descriptions and specifications contained in or referred to in the Purchase Order. In no event shall such offer, proposal, response to a request for quotation or request for proposal be binding on STELCO or otherwise amend, alter or supplement the terms of the Purchase Order.
- 1.9. In case of any discrepancies among the provisions of a Purchase Order provisions, the provisions shall take precedence in the following order:
 - i. Purchase Order Revisions
 - ii. Purchase Order;

- iii. this document;
- iv. Technical documentation (e.g., specifications, drawings, data sheets) expressly referred to and described in the Purchase Order;
- v. any other documents forming part of the Purchase Order.

In addition, later dated documents shall govern over earlier documents of the same type.

- 1.10. If Vendor, within five (5) business days from the date of the Purchase Order, does not in writing reject the Purchase Order and/or commences fulfilling the Deliverables under the Purchase Order, such Purchase Order shall be considered acknowledged and accepted by Vendor, including Vendor's acceptance to all terms and conditions of the Purchase Order, including the terms of this document.
- 1.11. No terms or conditions, other than those stated or incorporated by reference herein, and no agreement or understanding in any way modifying the terms and conditions stated or incorporated by reference herein, shall be binding upon STELCO and the Vendor unless expressly agreed by an authorized representative of STELCO in writing.
- 1.12. STELCO's acceptance of, or payment for, Deliverables shall not constitute STELCO's acceptance of any counter-proposal submitted by Vendor unless otherwise specifically agreed by an authorized representative of STELCO in writing.
- 1.13. If the Purchase Order is deemed to be an acceptance of a prior offer by Vendor, such acceptance is limited to the express terms contained herein and on the Purchase Order form. Additional or different terms or any attempt by Vendor to vary in any degree any terms of the Purchase Order shall be deemed material and are hereby rejected.

2. PURCHASE ORDER

- 2.1. Unless otherwise specified in the Purchase Order, the total price listed in the Purchase Order (the "Total Price") is a fixed amount) which is not subject to any increase or any other costs, expenses, fees or otherwise unless expressly agreed upon by an authorized representative of STELCO in writing.
- 2.2. In the event the Vendor is requested to provide any Deliverables that are not specified in the Purchase Order, Vendor shall immediately advise the STELCO representative specified in the Purchase Order and proceed with the work only after the Purchase Order Revision is received by Vendor from STELCO.
- 2.3. No obligation to purchase any minimum quantity of Deliverables shall arise from STELCO's issuance of a Purchase Order except as expressly stated on the face of the Purchase Order or any Purchase Order Revisions.
- 2.4. All Deliverables shall be billed at the designated unit price and quantity included in the Purchase Order. There shall be no additional cost, fee or expense, increase in any price, reduction of any discount or rebate, or change in the applicable price list indicated on the Purchase Order without the prior written approval from an authorized representative of STELCO as evidenced by the issuance of Purchase Order Revision.

- 2.5. All requests by Vendor for price changes (including discounts and rebates) shall be made in writing at least thirty (30) days prior to their proposed effective date and shall include: (1) dollar effect of price increase or decrease; (2) date of Vendor's last increase or decrease, and the percentage amount thereof; (3) new list prices, if any; and (4) provisions for firm pricing on new prices for a stated time period.
- 2.6. The Vendor shall supply the Deliverables in accordance with the Purchase Order. Except as expressly provided for in the Purchase Order, the Deliverables shall include the provision of all raw materials, goods, facilities and services which are necessary for the performance of the Deliverables. At no additional cost to STELCO, the Vendor shall take all measures necessary to protect the Deliverables and STELCO's property from damage that may arise in connection with Vendor's performance in connection with the Purchase Order.
- 2.7. Vendor shall (i) ensure that all employees, subcontractors, agents and/or representatives of Vendor that are working to fulfill the Deliverables under a Purchase Order have all qualifications necessary to perform any work in accordance with industry best practices, including all qualifications as may be required by applicable governmental and regulatory agencies, trade and professional organizations, and STELCO or any entity having oversight over Vendor's performance of work to satisfy the fulfillment of the Deliverables; (ii) maintain written evidence of such qualifications; and (iii) promptly provide such evidence to STELCO upon request.

- 3.2. If a Purchase Order Revision is issued in connection with common Goods that were manufactured without any particular specifications unique to STELCO's requirements, then STELCO's sole liability shall be limited to reasonable and documented restocking charges.
- 3.3. If Vendor's costs are reduced at any time, Vendor shall promptly notify STELCO and reduce the Purchase Order Total Price to reflect all such cost savings, whether direct or indirect.
- 3.4. If Vendor's costs are increased because of changes specified in a Purchase Order Revision, STELCO will consider Vendor's request for a reasonable adjustment to the Total Price for the additional direct costs associated with such change; provided, however that if Vendor does not notify STELCO of an adverse cost impact on Vendor resulting from such changes within five (5) days of the date of a Purchase Order Revision, then Vendor shall be deemed to waive any claim for an increase to the Total Price due to such changes; and provided further, if Vendor provides notice of an adverse cost impact and the parties cannot agree upon a reasonable adjustment to the Total Price within ten (10) days of such notice, the Purchase Order Revision will not become effective and Vendor shall not be entitled to any additional compensation or changes to the Total Price.
- 3.5. Written or oral acceptance of a Purchase Order Revision and/or the fulfilling of Deliverables corresponding to a Purchase Order Revision to STELCO by Vendor shall constitute Vendor's

express acceptance of the modifications in the Purchase Order Revision including STELCO's adjustment to the Total Price. STELCO hereby expressly objects to and rejects any and all additional or different terms (including changes to the Total Price) proposed by Vendor in any manner, except those accepted by an authorized representative of STELCO in writing.

- 3.6. If a Purchase Order Revision results in a decrease in the work to be performed by Vendor or a decrease in the costs incurred by the Vendor to satisfy the Deliverables, STELCO shall not be liable to the Vendor for any costs or damages whatsoever arising from such decrease in the work including any indirect, consequential or special damages, such as loss of profits, loss of opportunity or loss of productivity.
- 3.7. Extra or additional work performed by the Vendor in respect of which a Purchase Order Revision has not been issued by STELCO shall be at the Vendor's sole cost and expense.

Unless otherwise stated in the applicable Purchase Order, the Total Price shall include all charges for handling, packaging, storage, transportation or drayage of Goods. - 4.5. The Vendor shall schedule and co-ordinate all deliveries with STELCO. The Vendor shall remove all waste products and debris from STELCO's property resulting from the Vendor's performance of its obligations under the Purchase Order and the delivery, unloading and unpacking of Deliverables.

- 5.5. Neither the making of any payment nor use of the Deliverables shall constitute acceptance of Deliverables which is not in compliance with the Purchase Order. STELCO may withhold payment pending receipt of evidence, in such form and detail as STELCO may direct, of the absence of any liens, encumbrances and claims on the Deliverables covered by the Purchase Order.
- 5.6. All right, title and ownership to the Deliverables (and all portions thereof) shall transfer to STELCO immediately upon the delivery in accordance with the Purchase Order and acceptance of the Deliverables (or portion thereof) by STELCO, free and clear of all liens, claims and encumbrances, and the Vendor shall bear all risk of loss or damage until the delivery is completed and accepted by STELCO.

- 6.2. Vendor agrees that STELCO or STELCO's representatives shall have the right to enter Vendor's and subcontractors' facilities utilized to fulfill the Deliverables under a Purchase Order at any time during normal business hours to conduct reviews, monitor, coordinate, or expedite performance and to secure necessary information for such purposes

- 6.7. 7. STELCO PROPERTY

- 7.1. Vendor shall promptly repair, restore or replace, at STELCO's option, any real or personal property, including tools and equipment, belonging to STELCO or any of its other vendors, which Vendor or its subcontractors or suppliers, or its or their respective employees, invitees, agents or representatives, may damage and/or destroy while on STELCO's premises, including, without limitation, sites on STELCO's premises that are under the care, custody and control of another party, including, but not limited to, the Vendor itself.

STELCO may withhold the costs thereof from moneys otherwise due from STELCO to Vendor under the Purchase Order and/or any other agreement between STELCO and Vendor. Notwithstanding the foregoing, STELCO shall retain all other rights and remedies available to it under the Purchase Order and at law.

- 9.2. If STELCO agrees in writing to act as the importer of record in Canada for any Goods that originate from sources or suppliers based outside Canada, the Vendor shall provide STELCO with adequate and timely prior notice and true, accurate, timely and valid information and all necessary documents to permit the lawful importation of the Goods in Canada at the most preferential duty and tax rates available.

The Vendor shall indemnify and hold harmless STELCO for any customs duties, taxes, interest and penalties (including administrative monetary penalties) that may become payable by STELCO acting as the importer of record attributable to any failure of Vendor to fulfill its obligations set out herein, including to provide true, accurate, timely and valid information and documents required to permit the lawful importation of the Goods at the most preferential duty and tax rates.

10. REMEDIES

- 10.1. STELCO may withhold, out of amounts otherwise due to Vendor (or its affiliates, as the term "affiliate" is defined in the *Canada Business Corporations Act*) under a Purchase Order or any other agreement with Vendor or its affiliates, such sums sufficient to compensate itself for any amount at any time that may be owed, or which STELCO in good faith believes may become owing, from Vendor to STELCO in connection with a Purchase Order or such other agreement, and may set off the amounts so withheld against the amounts otherwise owed or which STELCO believes may become owing as aforesaid. In addition, STELCO hereby reserves all other rights and remedies provided hereunder, at law, in equity or otherwise. The exercise of any right or remedy pursuant to a Purchase Order is without prejudice to any other right or remedy which may be or become available to STELCO.

11. SUSPENSION

- 11.1. STELCO may, from time to time and at its sole discretion and convenience, order the Vendor, in writing, to suspend all or any part of Vendor's performance under a Purchase Order for such period of time that STELCO determines appropriate. Vendor's sole remedy in the event of any such suspension by STELCO shall be an extension of the applicable delivery time for a period equivalent to such suspension, subject to Article 11.2 below.

- 11.2. If the performance under a Purchase Order in whole or in part is so suspended by STELCO for a period in excess of ninety (90) consecutive days, Vendor, as the sole remedy for any such suspension, may request an extension of the delivery schedule for the period equivalent to such suspension and/or an adjustment of the Total Price for the additional reasonable and documented direct costs associated therewith, in accordance with the requirements of Article 3.
- 11.3. No adjustment to the Total Price and/or schedule included in a Purchase Order and/or Purchase Order Revision shall be made under Articles 11.1 and/or Article 11.2 in connection with any suspension, if Vendor's performance could have been, directly or indirectly, suspended, delayed or interrupted by any other cause, including the fault or negligence of the Vendor, or for which an equitable adjustment is otherwise provided for or excluded under any other term or condition of the applicable Purchase Order or Purchase Order Revision.

12. TERMINATION

- 12.1. STELCO may terminate, in whole or in part, Vendor's further performance and STELCO's obligations under a Purchase Order or Purchase Order Revision at any time by notice to Vendor confirmed in writing and specifying therein whether such termination is for Vendor's default or for STELCO's convenience, and the effective date thereof.
- 12.2. STELCO may immediately terminate the Purchase Order for Vendor's default, without any liability to STELCO, in the event of any of the following, or any similar, events:
- 12.2.1. insolvency of the Vendor;
 - 12.2.2. filing of a voluntary petition in bankruptcy by Vendor;
 - 12.2.3. filing of any involuntary petition in bankruptcy against the Vendor;
 - 12.2.4. appointment of a receiver or trustee in respect of Vendor or its assets;
 - 12.2.5. Vendor making an assignment for the benefit of its creditors generally;
 - 12.2.6. Vendor repudiates or breaches any of the terms of this document, the Purchase Order, including Vendor's warranties under Article 8, above;
 - 12.2.7. Vendor fails to provide Deliverables in accordance with the Purchase Order; or
 - 12.2.8. Vendor fails to make progress and thereby endangers the timely and proper completion of fulfilment of the Deliverables and fails to correct such failure within a period specified by Stelco at its sole discretion, acting reasonably, after receipt of notice from STELCO specifying such failure or breach.
- 12.3. If STELCO's termination hereunder is for STELCO's convenience, Vendor shall be entitled only to an equitable amount to cover (i) its direct and documented costs reasonably expended to third parties; and (ii) Vendor's direct and out of pocket costs for effecting a prompt, orderly termination of the affected work (less salvage value and amounts recoverable by Vendor). Vendor agrees that the remedy provided under this Article 12.3 shall be the sole and exclusive remedy of Vendor for any termination by STELCO for its convenience hereunder, and Vendor waives any and all other claims, damages or remedies whatsoever relating thereto.
- 12.4. The payment required by the foregoing sentence shall constitute STELCO's sole liability in the

event of termination for STELCO's convenience and STELCO shall not be liable to the Vendor for any other amounts whatsoever arising from such termination including any indirect, consequential or special damages, such as loss of profits, loss of opportunity or loss of productivity.

- 12.5. For clarity, in no event shall STELCO be liable for any cancellation fees or breakage fees of Vendor and/or its subcontractors, suppliers, representatives and agents.
- 12.6. In case of termination, either for cause or convenience, all work-in-progress is to be disposed of as per STELCO's instructions only (e.g., scrap, ship to STELCO, ship to third party). If Vendor disposes of the said work-in-progress without STELCO's prior approval, STELCO reserves the right to exercise its rights as specified in Article 10 for the cost of disposed work-in-progress.
- 12.7. Notwithstanding anything to the contrary herein, Vendor shall use its best efforts to minimize and mitigate any costs which may be payable by STELCO under Article 12.3.

13. AUDIT

- 13.1. Vendor shall maintain, in accurate and complete order, all books and records (whether in printed, electronic or other format) associated with the Vendor's performance and charges invoiced to and paid by STELCO pursuant to Purchase Order. Such books and records shall also include (without limitation) all records relating to any (i) changes or extra work, (ii) claim(s) for allowable adjustment of the contract price or schedule, (iii) entertainment, gifts and/or business, financial or other transactions between Vendor and any STELCO employees, (iv) allowable termination costs and (v) any other allowable charges covered under Purchase Order. Such books and records, and all other books and records of Vendor relating to Purchase Order or Deliverables, shall be open to inspection and/or audit by representatives of STELCO during reasonable business hours during the life of Purchase Order and for a period of three (3) years thereafter.
- 13.2. The Vendor shall not use Forced Labour or Child Labour in any form, as such terms are defined in the *Fighting Against Forced Labour and Child Labour in Supply Chains Act* (Canada). The Vendor must ensure that all employees are of legal working age and are not subjected to any form of exploitation. The Vendor will take necessary steps to prevent the use of Forced Labour or Child Labour in its supply chain. The Vendor shall maintain documentation that reasonably demonstrates compliance with the STELCO Supplier Code, a copy of which is included on STELCO's webpage at www.stelco.com. Upon reasonable advance written request, such documentation shall be made available to STELCO. Failure to comply with STELCO's Supplier Code may result in the discontinuation of a Vendor's business relationship with STELCO. If the Vendor or any of its employees becomes aware of a breach or potential breach of the STELCO Supplier Code, they are asked to notify STELCO at PBI.Purchasing@Stelco.com.
- 13.3. Vendor, through appropriate provision in its subcontracts and purchase orders, shall require its subcontractor(s) and/or supplier(s) to (i) similarly maintain and preserve accurate and complete books and records (as described under Article 13.1 and 13.2) relating to each

subcontract and/or purchase order awarded or issued by Vendor in connection with Purchase Order, and (ii) permit the inspection and/or audit thereof by STELCO upon the conditions and time period as provided in Article 13.1 and 13.2.

- 13.4. Any failure by Vendor to cooperate fully in producing or making available all books and records covered by a STELCO audit request hereunder, so as to permit a timely and complete inspection and audit thereof by STELCO, shall constitute a material breach of the terms hereof.

14. FORCE MAJEURE

- 14.1. Other than as expressly provided elsewhere in the Purchase Order, neither party shall have any liability for delays in performance to the extent caused by acts of God, acts of war, insurrection, pandemic or disease outbreak, or the public enemy, acts of government, embargoes, strikes, picketing, lockouts or other labor disturbances, fires, floods, earthquake or other force or violence of the elements (including adverse weather), compliance with or other action taken to carry out the intent or purpose of any law or administrative regulation having the effect of law now or hereafter enacted, or any other contingency beyond the reasonable control of the party affected thereby. In the event of any such occurrence of force majeure, the time for the party's performance affected thereby shall be extended for such period as reasonably required under the circumstances, subject to such party's compliance with the provisions of Article 14.3 below. The foregoing notwithstanding, Vendor shall take all reasonable steps to mitigate the impact which any force majeure occurrence may have on the schedule for the affected Deliverables involved.
- 14.2. If adverse weather conditions not reasonably anticipated are the basis for a claim by Vendor for additional time, such claim shall be documented by data substantiating that (1) weather conditions were abnormal for the period of time and location based on historical data, (2) the abnormal weather could not have been reasonably anticipated, and (3) that weather conditions had an adverse effect on the critical path schedule for the affected Deliverables.
- 14.3. As soon as reasonably possible after the commencement of events or circumstances that may cause any delay by force majeure on account of which either party claims that it is entitled to any extension of time for performance of its obligations hereunder, and in any event within forty-eight (48) hours, such party shall advise the other by written notice of the date when such delay commenced, and the reasons therefore as enumerated in this Article 14. Likewise, as soon as reasonably possible after the delay ends, and in any event within seventy-two (72) hours, the affected party shall advise the other by written notice of the date when such delay ended, and the date when the affected performance was or shall be resumed hereunder. Failure to provide the written notices within the time periods as herein provided shall constitute a waiver of the affected party's right to an extension of time as to any force majeure event or occurrence for which such notices are not provided to the other party.

15. LIMITATION OF LIABILITY

- 15.1. Except for a breach of Article 28 or Vendor's obligations under Article 19 or where Vendor has acted with recklessness, negligence, fraud or has willfully misconducted itself, Vendor's

liability shall not exceed the greater of (a) three times the amount of the Purchase Order and (b) the amount of any insurance coverage in place by the Vendor in respect of any such claim or loss.
