Review and Approval of Agenda

The committee accepted the agenda as presented.

Coke Battery Performance – Q4 2024

Katie provided a summary of the results for the Method 303 environmental audits for Q4 2024. The coke battery continues to be in compliance with the 30-day rolling average limits.

Jeremy G and Tyler K stated that they had no additional comments.

Additional Updates

Katie provided an update on the Cleveland Cliffs acquisition of Stelco Inc. As of November 1, 2024, Stelco has become a Canadian subsidiary of Cleveland Cliffs.

Stelco provided a summary of additional feedback received from neighbours in Q4 2024 and steps taken to resolve concerns that were raised.

Petar informed the group that the facility submitted a site wide sewage Environmental Compliance Approval with Limited Operational Flexibility application to the Ministry of Environment, Conservation and Parks (MECP) which will allow for more efficient operation of water treatment processes.

Katie reviewed the proposed CLC meeting dates for the remainder of 2025.
