January 15, 2025 – Virtual Meeting

---

### CLC Members in Attendance:

Ian Borsuk, Jochen Bezner, Jordan Balch, Julie Wedzinga, Kristin O'Connor, Manal Chaudhry, Peter Ipema, Sara Yonsen

### Other Attendees:

Jeremy Gamble (MECP)

Kerry LeClair

Dave Rivard (Stelco)

Katie Chan (Stelco)

### Welcome

### Review and Approval of Agenda

The committee accepted them as presented. The committee also accepted the draft meeting notes of the previous meeting.

### Coke Battery Performance

Katie walked the committee through an overview of the Cleveland Cliffs acquisition of Stelco. She also provided a summary of the performance of the Hamilton Works coke battery operations for Q4 2024 based on the Method 303 environmental audits conducted on a regular basis. Coke battery audit results demonstrated compliance with all 2024 limits.

Jordan and Jeremy of the Ministry of Environment, Conservation and Parks (MECP) both commented there were no issues with Stelco's Q4 performance.

### Water Discharge Permit Amendment

Julie provided an overview of new stormwater infrastructure for which the facility would be submitting a permit application.

### Community Comments

Community inquired about Stelco's plans for decarbonization and when that the committee might receive some type of communication. Katie indicated that there are no new updates at this present time. Stelco will share information with the CLC as it becomes available.

Additionally, there was a suggestion raised about the meeting format and whether there is value reviewing the Terms of Reference. Stelco will take these back for consideration.

### Adjournment

The next meeting is scheduled for April 30, 2025.
